

Shape the Future of the Mental Health Field

Are you passionate about molding the next generation of mental health professionals? We're looking for experienced, licensed mental health experts like you to join our team as volunteer supervisors!

WHY VOLUNTEER WITH US?

Make an Impact: Play a pivotal role in the professional growth of aspiring mental health professionals, ensuring they're equipped to provide the best care.

Give Back: Share your expertise and experiences with those eager to learn, and foster a community of continual growth and understanding.

Networking: Collaborate with other seasoned professionals in the field, expanding your professional network and creating lasting relationships.

Let's **empower** the next generation **together**.

REQUIREMENTS:

- Must hold a valid mental health professional license.
- Proven experience in the mental health field, preferably with a background in supervision.
- A commitment to fostering a nurturing and positive environment for candidates.

BENEFITS:

- Certificate of Appreciation and Recognition.
- Opportunity to attend free or low-cost workshops for continuing education.
- Satisfaction of knowing you've played a crucial part in shaping the future of mental health care.
